

Dear Corporate Volunteers

Thank you for your interest in the Greater Spokane County Meals on Wheels **Make it your Business Route Adoption Program**. This program provides a tremendous opportunity for employers to support a community-based organization. It's also a great way to raise your company's profile in our community.

Enclosed you will find all the information you need to enroll in this program. Once we have received your request, we will schedule a brief volunteer orientation and detail how easy it is to change the life a vulnerable senior here in Spokane County.

If you have any questions or need additional assistance, please feel free to contact me or our Director of Development.

Thank you for choosing to invest your time and talent in GSC Meals on Wheels.
